EXPERIENCE

Deep South Defense, Clemson, SC — Sales Associate
October 2024 - Present

Deep South Defense is a gun range and licensed seller out of Clemson, SC. Responsibilities include authorizing and selling firearms, ammunition, and accessories in a customer facing sales position. Additional responsibilities include ensuring safety on the range, filling out paperwork for the government, and properly disposing of firearms and ammunition that does not work anymore.

BP Cybersecurity LLC, Remote, out of Albuquerque, NM — Cybersecurity Analyst Intern
May 2024 - August 2024

BP Cybersecurity LLC is a cybersecurity firm out of Albuquerque that provides cloud based security and threat monitoring using CrowdStrike's Falcon cloud security systems. Responsibilities as a cybersecurity analyst intern included threat monitoring, responding to attempted breaches, and recommendations to small businesses in order to secure their networks better.

Frisco Gun Club, Frisco, TX — Sales Associate
July 2023 - Present

Frisco Gun Club is a shooting range that offers many services including an indoor range and a restaurant. Responsibilities as a Sales Associate include checking in people to the range, helping fill out paperwork for people purchasing firearms, and maintaining safety inside the range. I have maintained a working relationship with management and have been offered the opportunity to continue employment when available.
